

MAKE THE WORLD A LITTLE GREENER... ...KEEP GREENSBORO BEAUTIFUL!

Let's get litter out of our streams, off our streets, and out of our neighborhoods.

HOW?

2 WAYS TO PARTICIPATE:

PICK A SPOT

Find a stream, park, roadside, parking lot or an area in your neighborhood, near your school, office, or church that needs cleaning up.

ORGANIZE A NEIGHBORHOOD CLEANUP

Enlist the help of your neighbors to clean up the neighborhood. The City of Greensboro will provide assistance with equipment needs and other services to neighborhoods within the City of Greensboro.

REGISTER YOUR GROUP OR NEIGHBORHOOD...

...on the attached form. You can sign up with your scout troop, fellow employees, neighbors, friends, family, church group, club, or community organization.

To participate in the High Point area on Saturday, October 3, call Melanie Bruton at 883-3517 for more information.

PICK UP YOUR CLEANUP SUPPLIES...

...on Friday, September 18 from 1-5 pm at the Greensboro Beautiful office, located at 501 Yanceyville Street, across from the old War Memorial Baseball Stadium.

ON CLEANUP DAY...

...pick up litter from your cleanup site starting at 9 a.m. Beginning at 11am, bring all collected and bagged litter to the parking lot by Memorial Stadium. Hot pizza and cold bottled water will be provided to all volunteers until 12 noon.

WHY?

Litter makes our city ugly.

Litter attracts more litter, dumping and, eventually, crime.

Litter can entangle and suffocate some animals.

GET INVOLVED!

Complete and return the registration form at right, or register on-line at www.greensborobeautiful.org by September 12.
